

► Model FB2LED

## Fireball® LED Warning Light

Model FB2LED is a multi-pattern LED available in five colors and features Federal Signal's patented Power Select™ technology. Power Select™ allows a user to select one of three flash patterns: 60 FPM (default), 120 FPM or steady. FB2LED features Federal Signal's patented Power Select™ Technology which allows a user to change between flash patterns without having to open the unit, by following a sequence when power is applied.

FB2LED is available in 12-24VDC and 120-240VAC. The zinc die-cast alloy base features an integrated 1/2-inch NPT pipe mount and three holes required for surface mount configurations.

The housing for FB2LED is designed to protect against corrosion, vibration, and water- and dust-ingress and high pressure and temperature spray-downs. The unit is ideal in harsh applications including industrial warning, process control, status indication, and food processing.

### FEATURES

- Available in 12-24VDC or 120-240VAC
- Five lens colors: Amber, Blue, Clear, Green, and Red
- 50,000 hour LED
- Patented Power Select™ technology
