All warranties start from date of shipment.

Warranty: LEDtronics warrants that the product will be free from all defects in material and workmanship for the entire warranty of the product. This warranty does not cover damage caused by accidents, tampering or unreasonable use of the product.

Returns, Restocking and Order Cancellation: At the sole option of LEDtronics, products shipped to a customer (or distributor) may be allowed to be returned, under the following conditions. In all cases, the returned products shall be subject to inspection by LEDtronics and credit, if any, shall be allowed only for those products returned in a "like new" condition.

All authorized returns shall be allowed a CREDIT only against future orders. In no case shall funds be returned to the buyer.

Products may be returned only with the prior permission of LEDtronics. Returns may be authorized by phone or in writing. Each return shall include the LEDtronics RMA (Return Material Authorization) Number. The RMA Number shall be obtained by phoning or writing to LEDtronics stating the reason for the return, the original purchase order number and the quantity to be returned.

Returns, Standard Catalog Products: Products returned may receive a partial credit at the sole option of LEDtronics. Products returned after 60 days from shipment shall not receive a credit.

Returns, Non-Standard Custom Products: Non-Standard products (designated by a special part number) may not be returned for credit. At the sole option of LEDtronics, the return of non-standard products may be permitted on the basis that a 50% credit will be issued. Credit will not be allowed after 6 months.
